Poulner Vision for Art

At Poulner Infant School and Nursery, we will develop curious artists who are keen to develop and take pride in their own ideas. Allowing the children to develop their own creativity will support their learning, foster a resilience and support independence. We want to prepare them for their next steps in learning by taking risks and having a go. Our young artists will be able to define their own creative journey.

I will be resilient and not be scared to make mistakes. I will stay focussed on my learning, even if it gets tricky. I will persevere, even if it isn't what I thought it would be after my first attempt.	I will reflect, make changes and try again. I will ask questions to help me to improve or make changes. I will challenge myself to evaluate my work and make amendments.	I will find a strategy that best helps me solve a problem. I will look for possibilities to enhance my creativity and deepen my knowledge.	I will listen to opinions. I will work collaboratively to reach the best outcome for all. I will support those around me.	I will show respect to my peers by listening. I will be kind and helpful to those around me. I will share my ideas to support my peers.
