Poulner Vision for RE

Poulner Infant School and Nursery

At Poulner Infant School and Nursery, we develop respect and open mindedness towards others and nurture an understanding of the beliefs and practises of members of faith communities. We promote enquiring minds that understand a religious and non-religious perspective of the world.

Poulner Values	Creativity	Challenge	Collaboration

Intent	Implementation	Impact
• Engage and challenge children • Prepare them for life in a world with multiple views • Nurture own spiritual development • Confidence to voice own views • Respect the views of others • Give children space to ask big questions – tackled in a safe environment • Developing resilient responses to misunderstandings, stereotyping and division • Opportunities to increase cultural capital by exposure to different faiths and cultures • Include and promote British Values • Awareness of their rights and responsibilities as UK citizens • Creativity, imagination, enquiry, debate, discussion and independence	• We follow the agreed Hampshire RE syllabus, 'The Living Difference IV'. • RE is planned in half termly units for each year group • Each half termly unit is developed from a big question and links concepts and the RE Golden Threads • Visitors from different backgrounds and faiths welcomed to lead lessons and assemblies • Opportunities to visit range of places of worship including local church and mosque • Teaching is delivered using a wide variety of methods to ensure all children are excited and engaged. Lessons are differentiated so all children can access the learning. Lessons are planned to be interactive and practical, often using P4C to challenge children's thinking	• Enjoyment of learning about different religions and why people choose to follow, or not follow a religion • Learn to make links between own lives and those of others in the community and the wider world • Developing an understanding of other cultures and ways of live • Ability to live within an increasingly diverse and demanding world

 I will be resilient and not be scared to make mistakes. I will stay focussed on my learning, even if it gets tricky. I will persevere, even if it isn't what I thought it would be after my first attempt.	 I will reflect, make changes and try again. I will ask questions to help me to improve or make changes. I will challenge myself to evaluate my work and make amendments.	 I will find a strategy that best helps me solve a problem. I will look for possibilities to enhance my creativity and deepen my knowledge.	 I will listen to opinions. I will work collaboratively to reach the best outcome for all. I will support those around me.	 I will show respect to my peers by listening. I will be kind and helpful to those around me. I will share my ideas to support my peers.
